## Craft Paint Storage

By Jaime Costiglio

## Difficulty

Moderate

Make your craft paint visible and easily accessible with this craft paint storage box. Perfectly sized for standard craft paint bottles. Each compartment holds 16 bottles of craft paint for a total of 144 bottles. A great way to use up your scrap $1 / 2^{\prime \prime}$ plywood pieces for organization and storage.

## Hardware \& Supplies

30 11/4" Finish Nails
12 3/4" Finish Nails

## Cut List \& Parts

2 Box Top And Bottom, 1/2" $\times 41 / 4^{\prime \prime} \times 19$ "
2 Box Sides, $1 / 2^{\prime \prime} \times 41 / 4^{\prime \prime} \times 17^{\prime \prime}$
2 Horizontal Dividers, $1 / 2^{\prime \prime} \times 41 / 2^{\prime \prime} \times 19{ }^{\prime \prime}$
2 Vertical Dividers, 1/2" $\times 41 / 4^{\prime \prime} \times 16^{\prime \prime}$
1 Backing, $1 / 4^{\prime \prime} \times 20^{\prime \prime} \times 17^{\prime \prime}$

## Directions

## Dimensions

1
Overall dimensions: 20 " $\mathrm{w} \times 17 \mathrm{H} \mathrm{h} \times 4 \mathrm{l} / 2 \mathrm{Cd}$

## Step 1

Attach box sides to top and bottom using wood glue and $11 / 4$ " finish nails.

## Step 2

Make notches in the horizontal and vertical dividers as per the sketch above. Use a jigsaw to make notches.

PAINT STORAGE STEP 2

## Step 2B

Dividers should fit together as per sketch.

## PAINT STORAGE <br> STEP 2-B

## 5 <br> Step 3

Insert dividers into box frame and attach to sides using $11 / 4$ " finish nails.

## PAINT STORAGE STEP 3

## Step 4

Attach backing to box and dividers using wood glue and $3 / 4^{\prime \prime}$ finish nails.
