Blanket Ladder

Difficulty

Easy

This DIY blanket ladder is a simple afternoon build thanks to pocket holes and just two cut lengths. It makes a great holiday gift and the sizing is perfect for displaying handmade quilts.

Tools

Kreg Tools

Kreg® Pocket-Hole Jig 720PRO

Zinc Pocket-Hole Screws

Other Tools

Miter Saw

Sander

Drill

Tape Measure

Materials

Wood Products

3 Boards (We Chose Cedar) , 2" X 2" X 8'

Hardware & Supplies

20 2 1/2" Pocket-hole Screws (See Tool List)

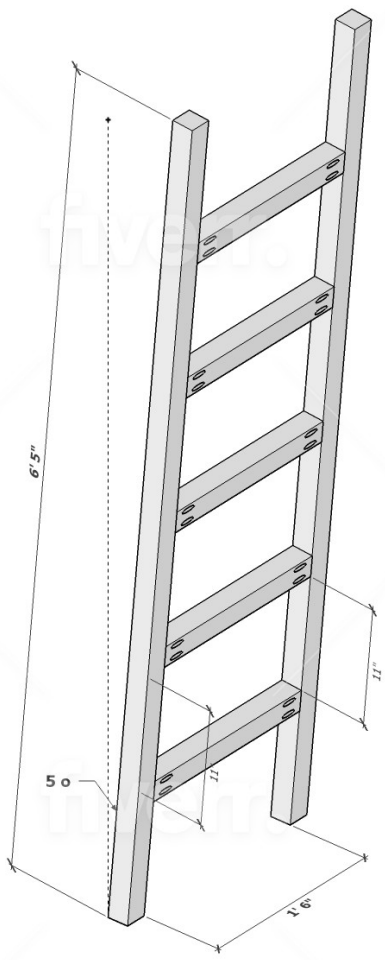

1 Sandpaper

1 Clear Sealer (And Paint Or Stain Of Choice)

Cut List & Parts

2 Boards , 6 1/2' (One End Cut At A 5 Degree Angle)

5 Boards , 18"

Directions

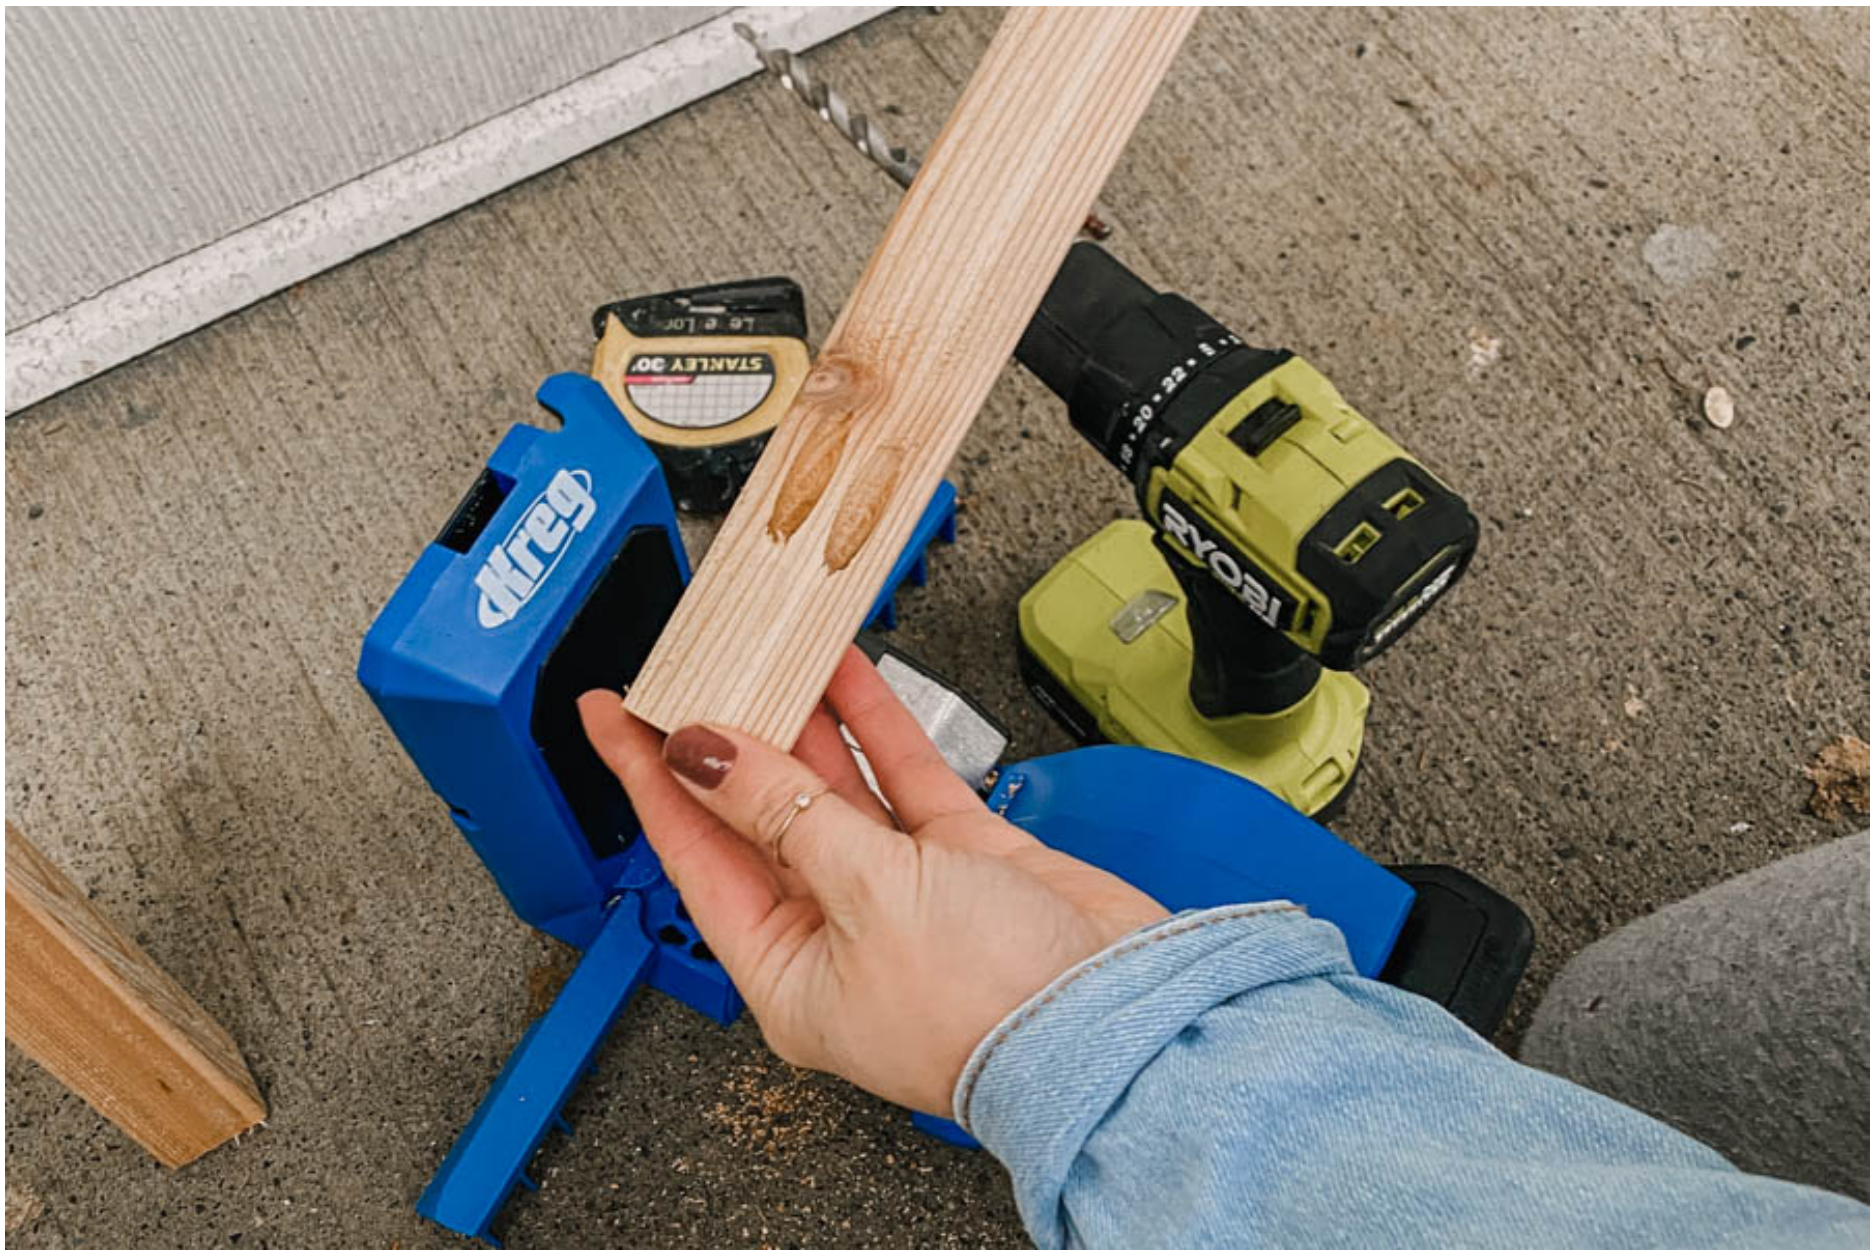

1 Cut boards

Cut boards according to cut list

2 Drill pocket holes

Drill pocket holes in both ends of the ladder rungs

3 Sand

Sand all the wood pieces until smooth

4 Assemble

Assemble the ladder using pocket hole screws, spacing the rungs 11” apart starting from the top. The space below the bottom rung will be slightly larger.

5 Finish

Finish your ladder to your preference- we chose a clear sealer to highlight the natural sealer.
