Materials

Wood Products

5 Board , 5/4" X 8" , 96"

2 Board , 5/4" X 6" , 96"

Hardware & Supplies

50 2-1/2" Pocket Screws

1 Wood Glue

Cut List & Parts

2 End Aprons , 5/4" X 6" X 26"

2 Side Aprons , 5/4" X 6" X 58"

Directions

1 Cut wood

Cut the end and side apron pieces.

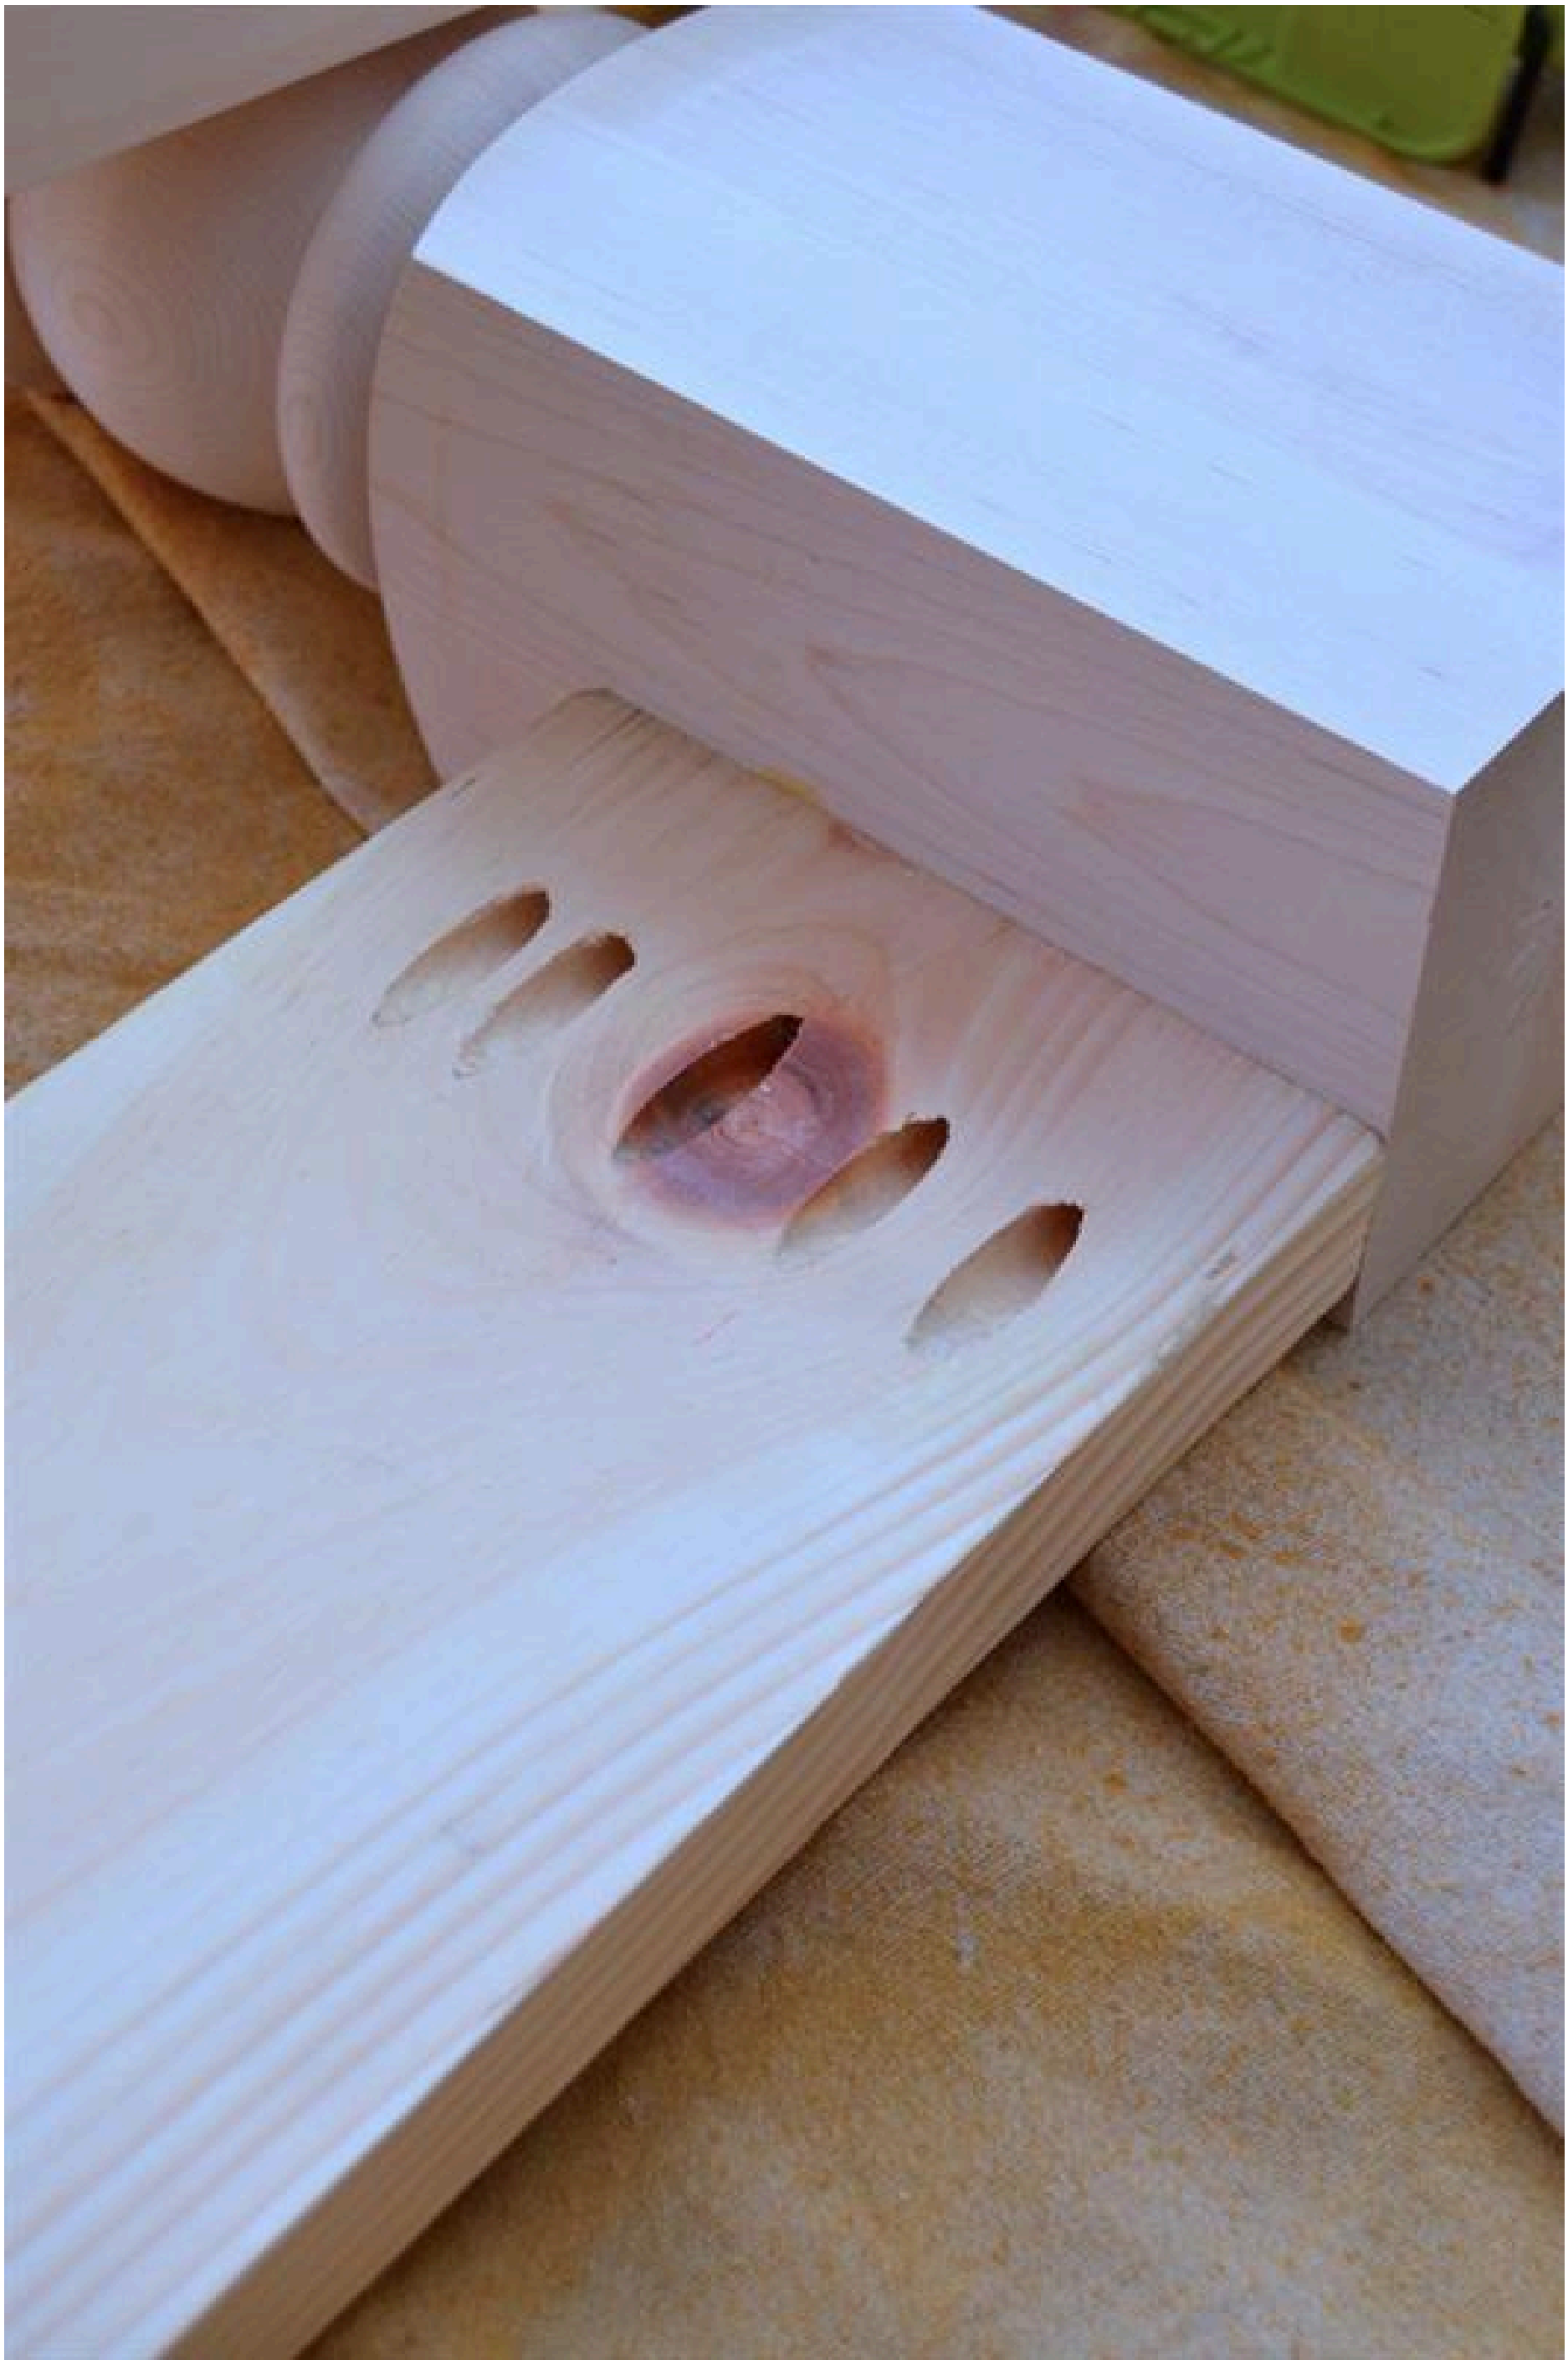

2 Route apron pieces (optional)

Cut a groove into apron pieces 2" from the edge with a router

3 Drill pocket holes

Use Kreg Jig to drill pocket holes at both ends of each apron piece.

4 Drill pocket holes

Drill pocket holes on the long edges of aprons. These will be for attaching the table top.

5 Assemble table frame

Using 2-1/2" pocket screws and wood glue, assemble the table frame.

6 Assemble table top

Use wood glue and pocket screws to make table top with the five 8" wide planks.

7 Sand and attach table top

Use a belt sander or orbital sander to smooth table top. Attach table top to table from with wood glue and pocket screws.

8 Finish!

Paint or stain table as desired!
