Sander

# Materials

## Wood Products

**5** Board , 5/4" X 8" , 96"

**2** Board , 5/4" X 6" , 96"

## Hardware & Supplies

**50** 2-1/2" Pocket Screws

**1** Wood Glue

# Cut List & Parts

- 2 End Aprons , 5/4" X 6" X 26"
- 2 Side Aprons , 5/4" X 6" X 58"

# Directions

---

**1**

**Cut wood**

Cut the end and side apron pieces.

---

2

**Route apron pieces (optional)**

Cut a groove into apron pieces 2" from the edge with a router

**3**

### **Drill pocket holes**

Use Kreg Jig to drill pocket holes at both ends of each apron piece.

---

4

### Drill pocket holes

Drill pocket holes on the long edges of aprons. These will be for attaching the table top.

5

### Assemble table frame

Using 2-1/2" pocket screws and wood glue, assemble the table frame.

6

### Assemble table top

Use wood glue and pocket screws to make table top with the five 8" wide planks.

7

### Sand and attach table top

Use a belt sander or orbital sander to smooth table top. Attach table top to table from with wood glue and pocket screws.

8

**Finish!**

Paint or stain table as desired!
