Sander

Materials

Wood Products

2   Board , 1x6 , 72"

Hardware & Supplies

1   Wood Glue

Cut List & Parts

3 1x6 , 36"

2 1x6 , 7"

Directions

1 **Cut wood**
Cut your wood to length

2 **Assemble**
Glue your side pieces to the bottom piece of your planter box. Staple in place.

Do the same with the end pieces. Glue, then staple in place.

3 **Finish**
Fill holes, if desired, and sand entire piece. Then paint or stain your planter box.
