

Rustic Industrial Coffee Table

By Tylynn M

Difficulty

Easy

How about the industrial style that's becoming more popular lately, huh! It's really been growing on me, so I figured I'd experiment a little and try a quick coffee table. It's a super quick project for anyone else interested in giving it a go!

Other Tools

Miter Saw

Tape Measure

Materials

Wood Products

1 Board , 1x6 , 96"

1 Board , 1x4 , 72"

Hardware & Supplies

1 Set Of Hairpin Legs

1 Special Walnut Stain

1 Clear Gloss Polycrylic

Cut List & Parts

- 2 Tabletop, 1 X 4 X 26"
- 2 Tabletop, 1 X 6 X 26"
- 2 Tabletop, 1 X 6 X 18"

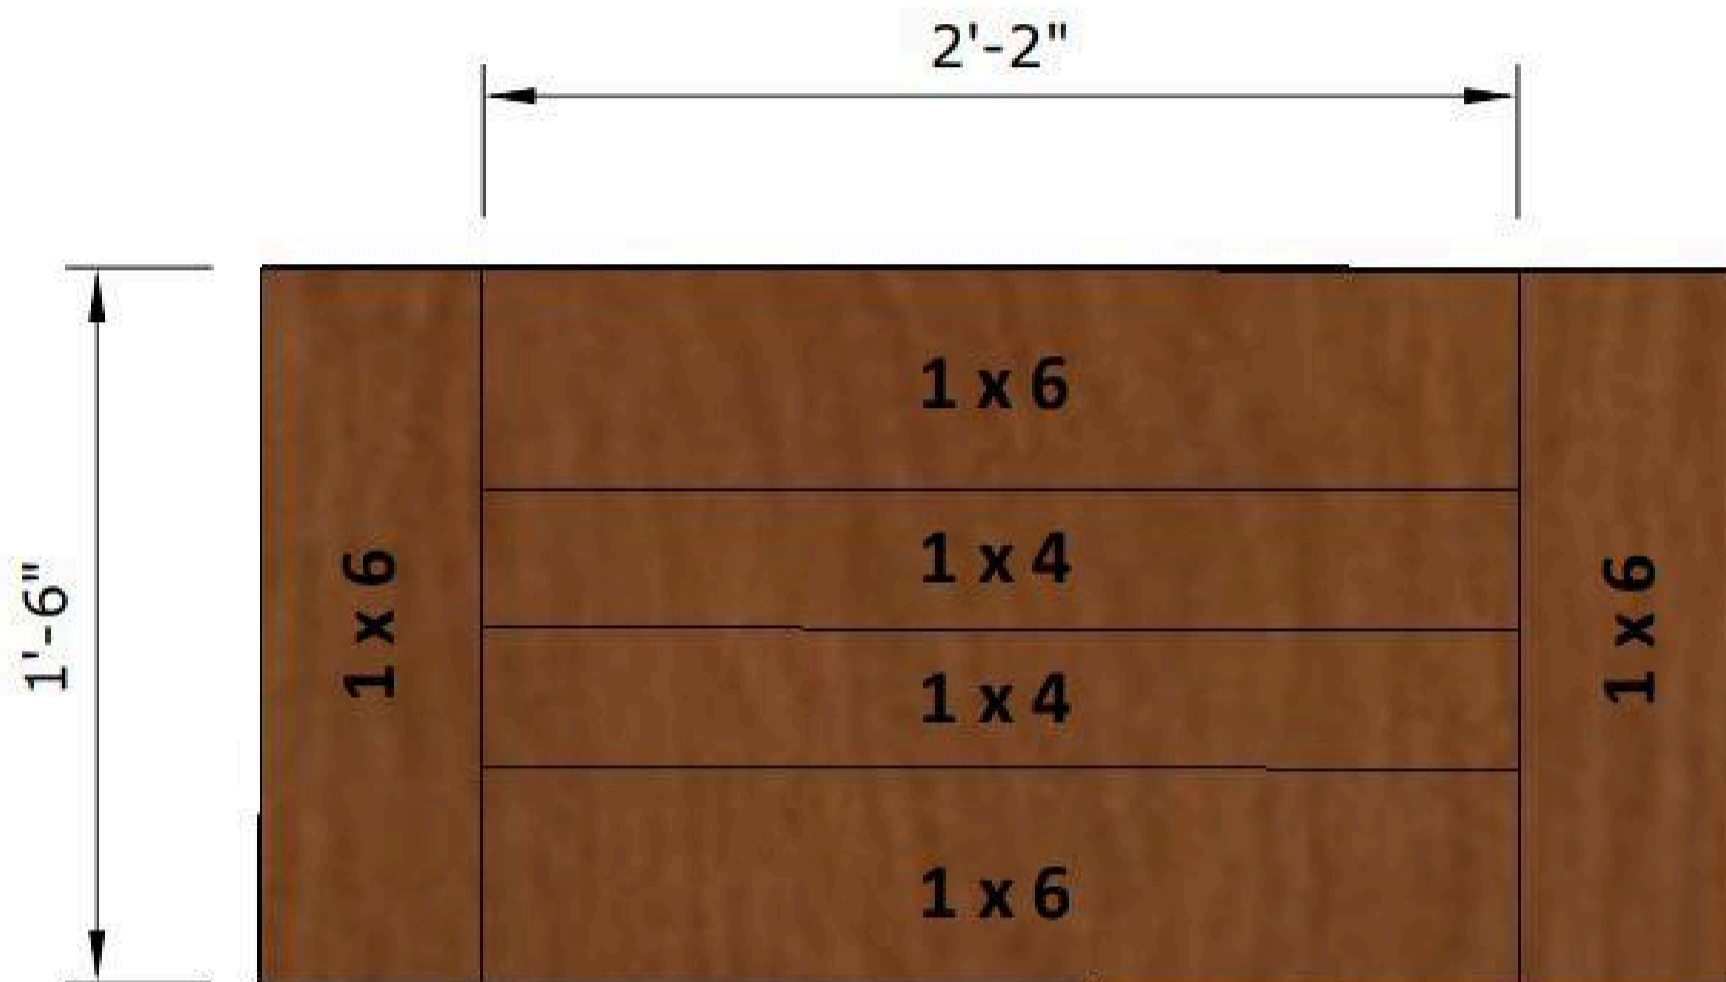

Directions

1

Step 1.

Build the top of the coffee table.

Attach the boards as shown with wood glue and 1-1/4" pocket holes and screws. Place pocket holes on the bottom side of the tabletop to best hide them.

2

Step 2.

For additional support, attach a set of "cleats" to the bottom of the table top.

3

Step 3.

Sand and finish the tabletop as desired.

4

Step 4.

Attach hairpin legs to the bottom of the tabletop.
