

Simple Nightstand with Drawer

By **Charleston Crafted**

Difficulty

Moderate

We designed this nightstand/bedside table to be traditional in style to match my mom's decor. She requested a drawer – which I had never built before. However, I was shocked at how easy it was to build and install the drawer. Don't let that intimidate you!

Tools

Kreg Tools

Other Tools

Table Saw

Tape Measure

Drill (cordless)

Router

Sander

Tape Measure

Materials

Wood Products

- 1 Plywood , 1/2" Thick , Full Sheet
- 2 Board , 1x4 , 120"
- 2 Board , 1x6 , 120"

Hardware & Supplies

- 1 Knob
- 2 Drawer Slides
- 40 Kreg Screws
- 1 Stain Or Paint Of Choice
- 1 Polyurethane

Cut List & Parts

1 Main Base , 22x16x25

Directions

1

Make Cuts and Drill Holes

Make all cuts necessary, then add appropriate pocket holes.

2

Build Base

Attach the shelf boards together, then attach to the legs, creating your base.

3

Build Drawer Box

Assemble the drawer box and the drawer. Add drawer slides with Kreg drawer slide jig or according to product instructions.

4

Construct and Attach Top

Attach the boards for your top together with Kreg screws and then glue on top of drawer box. Add a front to your drawer.
